

NH RESEARCH CUSTOMER SUPPORT

NH Research Customer Support is there for you concerning any questions on NH software products and test equipment. We want to do everything we can to ensure your satisfaction with our products. We are available from 7:30 a.m. to 4:30 p.m. PST at (949) 474-3900. In addition, please feel free to contact us via our website at www.nhresearch.com.

NH Research also offers training courses to support our customers. These courses will provide such knowledge as development of test programs and hands-on experience with the NH Research equipment. NH Research Customer Support has detailed information on the current schedule of classes.

Please contact NH Customer Support if you have any questions concerning any of the following.

1. Technical Support Questions
2. Training Courses
3. System Calibrations
4. Returning parts for (RAM)
5. Spare parts kits

For technical support questions, it will be very helpful if you have the following information available before calling:

1. System/Instrument type.
2. Serial Number.
3. Software Version Number.
4. Brief description of the problem.
5. Have there been any changes made to the Systems preceding fault condition?

Thank You! We look forward to serving you NH product needs.
